## *Bible Club*

A group of High School Students from all Christian Denominations, meet once a week to worship, discuss, and learn about the Christian Religion. This club was started at our school in 1952 by a group of people interested in improving the moral and spiritual standards of the students. Everyone is invited to come to Bible Club; there are no dues or official membership requirements. The club usually gives a special Thanksgiving assembly for the student body and a program for the P. T. A. each year. This year they are trying to form a quiz team on the Bible which will compete with the Bible Clubs in schools around the county. Our Bible Club is not, as yet, officially a member of the National Organization "Youth For Christ Inter."
